## PROFILE

Dynamic, highly motivated political scientist with an interdisciplinary profile and special interest in policy analysis as well as in evaluation of states' organisational structures and political processes at national and international levels. Beyond social science perspective I am familiar with economic and legal working and thinking.

- Vast knowledge of both empirical facts and common methods in social sciences
- Experienced in conference and project management, press and public relations
- More than five years experience in communication and marketing
- Exceptionally well-organized with a track record that demonstrates self-motivation, creativity and initiative to achieve both personal and corporate goals

*"Overall I experienced Mr. Elbert as an extremely committed and always purposeful student who knows to use his empirical and theoretical knowledge in a smart and skilful way. I can highly recommend Mr. Elbert for a position within any organisation."*

– Prof. Dr. Bernhard Zangl (Chair of Global Governance and Public Policy)
